Trustee Areas

November 1, 2013

Considerations in Trustee Areas

» Each area shall contain a nearly equal number of inhabitants

» Drawn to comply with the Federal Voting Rights Act

» Compact and contiguous, as much as possible

» Respect communities of interest, as much as possible

» Follow man-made and natural geographic features, as much as possible

» Respect incumbency as much as possible

» Other local considerations (i.e., attendance boundaries, feeder districts)
