On August 26, 2010, the Board of Trustees approved the purchase of the buildings, at a cost not to exceed \$450,000, under the terms and conditions of the piggyback bid awarded by the San Gabriel Unified School District. The total amount of \$450,000 included the base buildings costs of \$199,886.30 for each of the two buildings plus an anticipated additional \$50,227.40 allowance for any necessary change orders. There have been no change orders. Therefore, the settlement agreement is for the total base building costs for the two buildings of \$399,777.60. It has recently been discovered that the San Gabriel Unified School District had improperly extended the contract by one year beyond the statutory limit of five years.
