#### 10.2 <u>Revised 2012-2013 Student/Teacher Calendar with Furlough Days</u> ACTION ITEM and Possible Furlough Days

The Board of Trustees is requested to adopt the revised 2012-2013 Student/Teacher Calendar reflecting furlough days as agreed to by the Anaheim Secondary Teachers Association (ASTA). The 2012-2013 Student/Teacher Calendar was previously adopted at the Board meeting on March 3, 2010, and re-adopted on May 10, 2012, with two furlough days.

The revised Student/Teacher Calendar identifies additional non-student/non-teacher furlough days on December 21, 2012, January 25, February 15, March 15, March 29, May 28, and June 13, 2013, that *may* be added if the District budget is reduced by the state. The exact number of furlough days will be determined by the agreements with ASTA, APGA, CSEA, and management. If March 29, 2013, is implemented as a furlough day, March 28, 2013, will be a minimum day. If full implementations of all furlough days are necessary, the students' school year would be reduced from 179 days to 175 and the teachers' work year would be reduced from 184 days to 176 days. Of the 176 days, 175 will be instructional days and one day will be a non-instructional day.

This calendar will be shared with the parents, students, and community. A separate calendar designating all furlough days for each employee unit will be adjusted and distributed to employees. The calendar also reflects a correction from the previously approved calendar on May 10, 2012, identifying November 12, 2012, as a holiday. **[EXHIBIT A]** 

Recommendation:

It is recommended that the Board of Trustees approve the revised 2012-13 Student/ Teacher Calendar with possible furlough days.

Proceeding with refinancing of the bonds will require action at a subsequent Board meeting.

# 10.5Resolution No. 2011/12-B-22, General Fund; ResolutionACTION ITEMNo. 2011/12-B-23, Various Funds; and Proposed Budget, All Funds<br/>(Roll Call Vote)(Roll Call Vote)

Assistant Superintendent of Business Services Dianne Poore will present a report on the District's current 2011-12 budget and the proposed 2012-13 budget.

The Board of Trustees is requested to adopt Resolution No. 2011/12-B-22, General Fund, and Resolution No. 2011/12-B-23, Various Funds. After thorough analysis and review, the 2011-12 budget was updated from the Second Interim Report, which was presented and approved by the Board of Trustees at its March 2, 2012, meeting. Per Education Code Sections 42600 and 42601, all adjustments to the current budget must be approved by a resolution of the Board of Trustees. Resolution 2011/12-B-22 summarizes adjustments to the General Fund, and Resolution No. 2011/12-B-23 summarizes adjustments to all other funds.

The Board of Trustees must adopt a budget for the next fiscal year by July 1, 2012, per Education Code Section 42127(a). The Board has a fiduciary responsibility to maintain fiscal solvency for the current and subsequent two fiscal years. If the Governor's May 2012 Preliminary Revised Budget is approved as proposed, to maintain fiscal solvency in future years, the District will need to reduce spending in the 2013-14 fiscal year, as well as in the

#### 2014-15 fiscal year. The District will submit a detailed list of methods of acquiring such funds for Board approval as part of the 2013 Second Interim Report.

Furthermore, in the event that the November 2012 tax initiative is unsuccessful, the District's funding will be reduced by an additional \$441/ADA or \$14 million. The Board acknowledges that the District has a contingency plan in place to address this mid-year trigger reduction in funding. [EXHIBITS B, C, and D]

#### Resolution No. 2011/12-B-24, Temporary Interfund Transfer ACTION ITEM 10.6 (Roll Call Vote)

The Board of Trustees is requested to adopt Resolution No. 2011/12-B-24, Temporary Interfund Transfer. As part of the state's solution to its own cash flow problems, it has deferred the payment of revenue limit apportionment to school districts from the year in which it is normally received to the following year. Approximately 38 percent of the revenue limit apportionment that would normally be received in 2011-12 will now be deferred to 2012-13. For the District, this is approximately \$50 million. It is anticipated that the deferrals for 2012-13 fiscal year will be the same or possibly larger.

This resolution will provide as much flexibility as possible for 2012-13 within the District's cash resources. This resolution will allow for temporary interfund cash transfers from the Capital Outlay Funds, Special Reserve Funds, and Self-Insurance Funds to the General Fund. [EXHIBIT E]

#### Policy

Concussion management and policies protocols is a standardized method of assessment to ensure an accurate diagnosis and the appropriate management of student-athlete following a sports concussion. This policy and these protocols will apply to all site/District approved sports.

#### Purpose:

- (1) The concussion management plan seeks to provide a District wide "standardized approach" to the care of the injured athlete who exhibits the signs and symptoms or behaviors associated with a concussion.
- (2) To expedite the initial care, follow-up treatment, appropriate referral to specialists, if necessary.
- (3) To maintain communication between physicians, coaches, athletic trainers, administrators, and parents concerning the care of the student-athlete.
- (4) Establish appropriate medical treatment of the student-athlete for an expedient and safe return to participation in athletics.

The goal of the protocols set forth in the Anaheim Union High School District Concussion and Head Injury Policy is to keep each student athlete healthy and injury free, as well as to comply with CIF and state legislative policies (See Addendum I & Addendum II). In the unfortunate event of an injury the staff will follow the outlined protocols which include proscribed roles for the student-athlete, parent, coaches, athletic trainer, and physicians, enabling the student-athlete to return to participation in athletics.

### **ADMINISTRATIVE REGULATIONS**

**Concussion and Head Injury Protocols** 

A concussion is a brain injury caused by a bump, blow or a jolt to the head or body. Even a "ding" or what seems to be a mild bump or blow to the head can be serious. Personnel and their Roles:

Coach:

- (1) The coaching staff is required to be trained in CPR/AED and First Aid. This knowledge is sufficient to make an initial assessment of an injury and provide care in the case of a life threatening injury. This training does not provide sufficient education on providing injury diagnosis and <u>therefore cannot be used to return student-athlete to play.</u>
- (2) The coaching staff may be required to assist the certified athletic trainer, if available on site, in the monitoring of the injured student-athlete during graduated return to participation.
- (3) Coaches must participate in an annual concussion education program as provided by the California Interscholastic Federation and/or their schools medical staff.

Certified Athletic Trainer: (If available on site):

- (1) The Certified Athletic Trainer (ATC) will provide assessment of concussion when injury has occurred and follow the treatment protocols as outlined in this concussion plan.
- (2) If baseline neurocognitive testing is provided for the student-athlete, the ATC will perform baseline testing for all students who participate in high risk sports which include American football, Men's and Women's Basketball, Men's and Women's
- Lacrosse, Men's and Women's Water polo and Pole Vault.
- (3) Initial assessment of injury will include: sideline assessment of the athlete per protocol outlined in this document. Documentation of initial injury and follow-up evaluation and care.
- (4) Following concussion event, the ATC should provide continual monitoring of the student-athlete on the sideline. Consultation with the student's physician *should* be obtained within days of the injury, *whenever possible*, contingent on obtaining a signed consent for the release of medical information.
- (5) The ATC will also facilitate the re-evaluation with the same testing protocol utilized for baseline testing, when applicable.

Physicians:

The student-athlete will not be permitted to return to athletic activity until he or she receives written clearance from a licensed Medical Doctor (MD) or Doctor of Osteopathy (DO). The MD or DO must be the treating physician for the concussion injury.

\*In a program where there is a team physician, this is the principal position in the management of the student-athlete with a concussion. The program physician will consult with the athletic trainer on the status of the student-athlete, review test results, and meet with the student-athlete when deemed appropriate. The physician will have the sole right and ability to release the student-athlete for return to play. The physician will also interpret neurocognitive testing when and when appropriate; refer a student-athlete for evaluation/treatment to appropriate specialists.

Student-Athlete:

- (1) The student-athlete should receive education by the school's Certified Athletic Trainer, if available or athletic staff on head injuries and concussion including a copy of "Concussion Information Sheet" which both the student-athlete and parent will be required to sign, annually.
- (2) It is important for the student-athlete to also understand the importance of recognizing the symptoms of a concussion and accept the responsibility of reporting these symptoms immediately to the medical staff.
- (3) A student-athlete who participates in a sport that is high risk for head injuries should also complete a preseason baseline neurocognitive test when available.

### Parent/Guardian:

- (1) Parent/Guardian will give written agreement to Anaheim Union High School District's Concussion Policy and Procedures. By virtue of this agreement the parent/guardian will:
  - a. Seek medical care with an MD or DO experienced in evaluating concussion
  - b. Keep their student-athlete out of play until released by an experienced MD/DO
  - c. Teach their student-athlete that it is not smart to play with a concussion
  - d. Inform school officials, including the student-athlete's coaches, ATC, school nurse and health technician about any concussions the athlete may have had

### Procedures:

A student-athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be removed from practice or competition and evaluated by the athlete's healthcare provider with experience in the evaluation and management of concussion.

If a concussion injury is suspected or the student-athlete is diagnosed with a concussion that student-athlete shall not return to activity for the remainder of that day.

Sideline Evaluation:

- (1) Any student-athlete, who suffered loss of consciousness, has worsening symptoms, including headache, nausea, vomiting, increasing confusion, lethargy, difficulty speaking or moving a limb, or convulsions or seizure activity, should be transported urgently to an emergency facility by activating the emergency response system (EMS).
- (2) Any student-athlete with neck pain and/or upper extremity neurological findings should be treated as if a cervical spine injury is present.
- (3) For games or practice if no physician is present, and the student-athlete has minimal symptoms, the program ATC or other designated healthcare provider should be available to evaluate the athlete. If no healthcare provider is available, then the athlete should be sent to a medical facility for further evaluation. For more severe or worsening symptoms, EMS should be activated.
- (4) If an ATC is present and the student-athlete has non-urgent symptoms, post injury neurological testing, should be utilized for student-athlete evaluation, if available.
- (5) If a concussion is suspected, the student-athlete cannot return to practice or game.

Management:

- (1) At the time of injury, if a concussion is suspected the ATC, if available, should notify the administration, coach, and parents.
- (2) The student-athlete will be given written instructions for home contained in the "Concussion/Head Injury Information Sheet".
- (3) Initial Physician Evaluation:
  - a. Confirm diagnosis of concussion
  - b. Determine if additional evaluation is necessary

- c. Determine appropriate timing of post injury neurocognitive testing is applicable
- d. Discuss plan for follow-up evaluation and ongoing management with school athletic staff
- (4) Follow-up and management by ATC :
  - a. Daily symptom check list (ACE)
  - b. Facilitate post injury neurocognitive testing if available on site and applicable.
  - c. Facilitate graded return to play protocol

Return to Play Decision:

When a student-athlete returns to participation, is a decision made on a case by case basis in consultation with the student's physician and the ATC. Many factors affect the length of time a student-athlete is held out of athletic participation and the student-athlete must be symptom free prior to any potential return to activity.

Graded Return to Play Protocol

Step I – No Activity, complete physical and cognitive rest, until all symptoms resolve

Step 2 – Light aerobic activity (stationary bike < 70% max. hr., 10-15 min)

Step 3 – Non-contact basic sport-specific exercise or training drills (increased aerobic intensity)

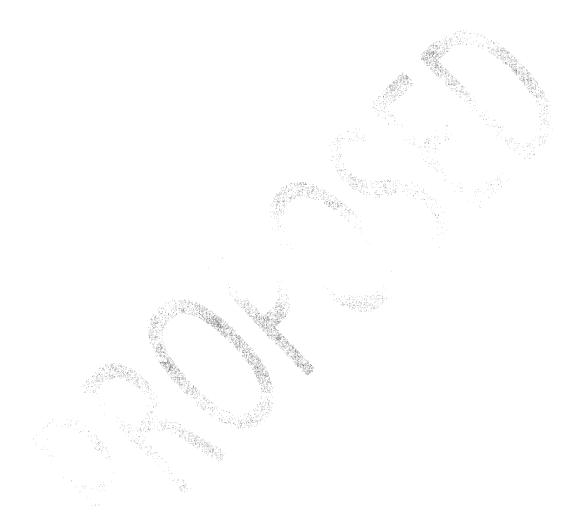

Step 4 – Non-contact more complex sport-specific training drill, ok to start resistance training

Step 5 – Full contact practice

Step 6 – Return to play

- 1. For steps 1-5 there will be at least 24 hours between each step, unless otherwise directed by the treating physician
- 2. The student-athlete will be monitored for occurrence of symptoms during each step in the progression.
- 3. If the student-athlete has recurrence of symptoms, they will be held from activity for at least 24 hrs. and until symptoms resolve, then resume activity at the previous asymptomatic step.
- 4. There will be no return to contact until student-athlete is symptom free, the neurocognitive (if applicable) and balance testing are considered normal, and the student-athlete has tolerated the graded return to play protocol.

5. If neurocognitive testing continues to be abnormal, repeat testing will be done with at least 48 hrs. between testing.

#### ADDENDUM TO CONCUSSION AND HEAD INJURY POLICY

#### Assembly Bill 25 (Hayashi)

#### CHAPTER 456

#### An act to add Section 49475 to the Education Code, relating to athletics.

Approved by the Governor October 4, 2011 Filed with

Secretary of State October 4, 2011

#### LEGISTATIVE COUNSEL DIGEST

AB 25 Hyashi. School districts: athletics: concussions and head injuries. Existing law authorizes school districts to provide specified medical services in connection with athletic events that are under the jurisdiction of; or sponsored or controlled by, school districts. These services include medical or hospital insurance for pupils injured while participating in athletic activities and ambulance service for pupils, instructors, spectators and other individuals in attendance at athletic activities. The bill requires a school district that elects to offer athletic programs to immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The bill prohibits the return of the athlete to that activity until he or she is evaluated by, and receives written clearance from, a licensed health care provider as specified. The bill requires, on a yearly basis, a concussion and head injury information sheet to be signed and returned by the athlete and the athlete's parent or guardian before the athlete's initiating practice or competition. These provisions would not apply to an athlete engaged in an athletic activity during the regular school day or as a part of a physical education course, as specified.

#### CIF Bylaw 313

A student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time for the remainder of the day. A student-athlete who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in the evaluation and management of concussion and receives written clearance to return to play from that heath care provider.

### ANTI-BULLYING

The District believes every child is entitled to a safe school environment free from discrimination and bullying. Consistent with state and federal law, the District prohibits bullying and discrimination and provides a timely and effective complaint procedure for pupils who believe they have been the victim of bullying or discrimination. The District also is mindful that, at times, behavior that is rude or insensitive may nevertheless be constitutionally protected in the context of a public school environment. Such conduct can best be combatted and prevented with effective strategies that involve pupils, parents and school employees in collaborative efforts to teach tolerance and ensure equal educational opportunities for all.

This policy applies to all of the District's students. This policy applies to all acts related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the Anaheim Union High School District. (Educ. Code § 234.1 (a).) This policy also reminds school personnel of their obligation to intervene, when safe to do so, as required by Education Code section 234.1(b)(1).

# **ADMINISTRATIVE REGULATIONS**

## **DEFINITIONS**

A. "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

(a) Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupils' person or property.

(b) Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.

(c) Causing a reasonable pupil to experience substantial interference with his or her academic performance.

(d) Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

While not an exhaustive list, examples of bullying/cyberbullying might include:

- · direct physical contact, such as hitting or shoving;
- threats to harm another person;
- oral or written assaults, such as teasing or name-calling;
- social isolation or manipulation;
- posting harassing messages, direct threats, social cruelty or other harmful texts, sounds or images on the Internet, including social networking sites;
- posting or sharing false or defamatory information about another person;
- posting or sharing information about another person that is private;
- pretending to be another person on a social networking site or other electronic communication in order to damage that person's reputation or friendships;
- posting or sharing photographs of other people without their permission;

- spreading hurtful or demeaning materials created by another person (e.g., forwarding offensive e-mails or text messages); and
- retaliating against someone for complaining that they have been bullied.

B. "Electronic act" means the transmission of a communication, including, but not limited to, a message, text, sound, or image, or a post on a social network Internet Web site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer or pager.

C. "Reasonable pupil" means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.

# PROHIBITION OF BULLYING

The District prohibits bullying as defined in this policy. This includes, but is not limited to, discrimination, harassment, intimidation and bullying based on the actual or perceived characteristics set forth in Penal Code section 422.55 and Education Code section 220, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. (Educ. Code §§ 234.1(a); 48900(r).) [cf. Board Policy 7703/7703-R (Uniform Complaint Procedures) and Board Policy 8708/8708-R (Sexual Harassment of Students)]

In addition, the District prohibits retaliation against complainants.

# FREE SPEECH PROTECTION

This policy shall not be construed to limit pupil rights to free speech as protected by the United States Constitution, the California Constitution, Education Code sections 48907 and 48950, and other applicable law.

# DUTIES AND RESPONSIBILITIES OF SCHOOL EMPLOYEES

If school personnel witness an act of discrimination, harassment, intimidation, or bullying, he or she shall take immediate steps to intervene when safe to do so. (Educ. Code  $\S234.1(b)(1)$ .)

The district will use the following procedure for those complaints specified in Education Code 35186. Regular uniform complaint procedures will continue to be used, as required, for complaints alleging discrimination, harassment, intimidation or bullying (Board Policy 7703, Uniform Complaint Procedures).

<u>REPORTING AND INVESTIGATING COMPLAINTS; COMPLAINT OFFICER</u> Any employee who has knowledge of discrimination, harassment, intimidation or bullying shall inform the site administrator of the concern as soon as possible. The site administrator shall notify the District's Nondiscrimination Officer within 24 hours. Students who have knowledge of discrimination, harassment, intimidation or bullying are encouraged to inform a teacher or school administrator as soon as possible. Students and parents may make such complaints anonymously by calling the Nondiscrimination Officer at the number below. Anonymous reports must provide sufficient corroborating evidence to justify the commencement of an investigation. Because of the inability of investigators to interview anonymous complainants, it may be more difficult to evaluate the allegations and, therefore, less likely to cause an investigation to be initiated.

Formal complaints regarding violations of this policy shall be made pursuant to the District's Uniform Complaint Procedure, Board Policy/Administrative Regulation 7703/7703-R and 7703.01/7703.01-R.

The District's Nondiscrimination Officer is: Assistant Superintendent, Human Resources 501 Crescent Way, Anaheim, Ca. 92803 (714) 999-3544

The Nondiscrimination Officer is responsible for ensuring the District's compliance with nondiscrimination laws impacting California public school districts. The Nondiscrimination Officer shall notify the parents of the reported victim and the alleged perpetrator of the complaint and, if appropriate, law enforcement officials. The Nondiscrimination Officer may refer the victim, perpetrator and others to counseling and mental and other health services, as appropriate. The Nondiscrimination Officer shall maintain documentation of complaints and their resolution for a minimum of one CPM review cycle. (Educ. Code § 234.1(e).)

# CONFIDENTIALITY

The identity of a complainant alleging discrimination, harassment, intimidation, or bullying shall remain confidential as appropriate within the dual contexts of the District's legal obligation to ensure a learning environment free from discrimination, harassment, intimidation and bullying, and the right of the accused to be informed of the allegations. Some level of disclosure may be necessary to ensure a complete and fair investigation, although the District will comply with requests for confidentiality to the extent possible.

### DISCIPLINARY CONSEQUENCES

Students who violate this policy may be subject to discipline, including suspension and expulsion pursuant to the District's discipline policies and procedures, Board Policy/Administrative Regulation 8700/8700-R.

### **NOTIFICATIONS**

The District shall publicize this policy, including information about the manner in which to file a complaint, to pupils, parents, employees, agents of the governing board and the general public. The information shall be translated pursuant to Education Code section 48985. This policy shall be posted in all schools and offices, including staff lounges and pupil government meeting rooms. (Educ. Code § 234.1(c) and (d).)

# ANTI-BULLYING EDUCATION; TRAINING FOR EDUCATORS

The District has an affirmative obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity. The District shall undertake educational activities to prevent bullying and counter discriminatory incidents that impact the school environment and, within constitutional bounds, to minimize and eliminate a hostile environment on school grounds that impairs the access of pupils to equal educational opportunity. (Educ. Code § 201(g).)

As part of its Educational Technology plan and Acceptable/Responsible Use Policy, the District educates pupils about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response. (Board Policy/Administrative Regulation \_\_\_\_.) The District also educates pupils and teachers on the appropriate and ethical use of information technology in the classroom and Internet safety.

## **INTER-DISTRICT TRANSFERS**

A pupil who has been determined by personnel of either the district of residence or the district of proposed enrollment to have been the victim of an act of bullying committed by a pupil of the district of residence shall, at the request of the person having legal custody of the pupil, be given priority for inter-district attendance under any existing inter-district attendance agreement or, in the absence of an agreement, be given additional consideration for the creation of an inter-district attendance agreement. #### 38. Review of Telecommunications Carrier Services and Contracts

- a. CSM will review all current telecommunications and Internet service providers' bills and contracts. The review will include at a minimum the following components:
  - i. Recurring monthly charges
  - II. Non-recurring charges
  - ili. Rates
  - iv. Service Level Agreements
  - v. Terms and conditions
  - vi. Time remaining on the contract(s)
  - vil. Basic termination charges
- b. Upon completion of the review CSM will use this information to establish the costs associated with Block 5 of the Form 471 application(s) and make recommendations and assist in negotiating new contracts as needed.
- c. The District will need to include CSM in any communications and Request for Bid/Proposal processes involving carrier services in which CSM may assist the District.

#### 39.<u>Form 471 Planning</u>

CSM will coordinate all necessary steps in order to prepare the Form(s) 471 in order to meet E-Rate guidelines:

a. Form 471, Block 4: Calculation of E-Rate discounts. CSM will work with the district's Food Services department to collect documentation regarding participation in the National School Lunch Program. #### b. Form 471, Block 5: Funding Requests

i. **Cost review of current Telecommunications Services (voice).** For existing tariff services, CSM will review the costs for all billed telephone numbers (BTN's) in order to claim all eligible costs for all eligible sites on the Form 471 application. The district must provide access to billing account information during this process.

This will include at a minimum: determining eligible recurring costs, determining eligible non-recurring costs, and preparing cost allocations for any ineligible costs.

#### 41. Program Integrity Review (PIA)

CSM will respond to all requests for further information from USAC's PIA regarding Funding Year 2013 applications. This may include: providing documentation regarding calculation of E-Rate discounts, providing further documentation regarding funding requests beyond the Item 21 Attachments, and answering any questions regarding the funding requests.

#### 42. Item 25 Selective Review

Should the district be selected for an Item 25 Selective Review, CSM will work with the district to collect any additional detailed documentation as required, including detailed budget information, and will prepare the Item 25 response.

#### 43. Filing of Form(s) 486

Upon receipt of the Funding Commitment Decision Letter (FCDL) and start of services, CSM will file all necessary Form(s) 486 for Funding Year 2013 funding requests. Multiple Form(s) 486 may be necessary due to the number of Priority Two projects. CSM will coordinate the filing of the Form(s) 486 with the start of services (projects) to ensure that they are filed at the correct time.

#### 44. Collection of E-Rate Funds

CSM will discuss with the district the various methods available to collect approved E-Rate funding. CSM will then work with the selected service providers to ensure that the district receives its approved E-Rate funds:

- a. **Discounts:** Discounts on bills (required for services where CTF is applied). CSM will complete and submit the documentation service providers require (Grids, Data Gathering Forms) in order for district to receive discounts.
- b. **Billed Entity Applicant Reimbursement (BEAR) Form 472:** CSM will prepare and submit BEAR forms for eligible services. The district will receive E-Rate funds in the form of a reimbursement check.
- c. **Service Certifications:** CSM will assist the district and service providers to complete these forms as required for Priority One and Priority Two projects.

#### 45. Form(s) 500 and Invoice Deadline Extension Request(s)

Should a project funded for Funding Year 2013 not be implemented during the implementation window, CSM, at the district's direction, will file Form(s) 500 to extend the implementation window, or to cancel the funding request. CSM will also file any Involce Deadline Extension Requests found necessary so that the district receives its approved funding for implemented projects and services for Funding Year 2013.

#### 46. Final Summary

In working with our large client base CSM has found that the above Scope of Work covers the majority of work involved in successful E-Rate applications and recovery of E-Rate funds. CSM has the flexibility to modify the Scope of Work per an individual district's needs. Should the district identify further services required, we are confident that CSM will be able to accommodate the request.

The cost for services rendered regarding the E-Rate application process as referred to in the

Scope of Work above shall amount to \$23,000.

#### ADDITIONAL SERVICES

The audit documentation requests of the FCC E-Rate program have increased dramatically to include complete funding year end reconciliation documentation. A condition of participation in the E-Rate process is that the applicant is required to maintain documentation to support the attestations and certifications made throughout the application and receipt of funding processes. In addition to previous requests, auditors are requiring asset system verification and detailed documentation of all eligible costs incurred for telecommunications, internet access and all other priority one services. This increased documentation requirement is beyond the scope of our contract. In order to provide coverage for these new audit requests, the District can opt to request that the Consultant develop and maintain audit documentation regarding the E-Rate program on a current (active year) basis and prepare an audit binder that will serve as the documentation required to be provided to auditors contracted by the Federal Communications Commission (FCC). The service will include copies of all required forms and applications, certifications, approval letters, complete reconciliation documentation for filing year end (whether SPI (Form 474) or BEAR (Form 472)), asset system verification (if applicable) and all back-up documents required for proof of processes. The service includes monthly verification of costs incurred by the applicant for telecommunications, internet access and all other priority one services along with a year end reconciliation of said costs and applicable discounts and copies of paid warrants. This service will be provided for the Year 14 filing period at a fixed cost of **\$4,600**. The cost of this service is not included in the cost of services amount for Services relating to E-Rate in Appendix A of this agreement.

#### Please check the appropriate box for designation of service $\square$ Yes $\square$ No

#### TOTAL COST FOR ALL SERVICES: \$27,600.00

whichever is later) and continuing through June, 2013.

**NOW, THEREFORE**, the parties hereto agree as follows:

1. Services to be provided by Consultant:

Language Network, Inc., provides written translation and oral interpretation services to students and parents in languages beyond the district's current capacity to support. There are many families who require periodic translation services in 98 languages, to assist with health, safety, and mandated educational issues. Contracting with Language Network will facilitate meeting the needs of students and parents who speak languages that are not available through the district translators.

2. List of Other Supportive Staff or Consultants:

Date:	August 1, 2012
and shall di	ligently perform as specified and complete performance by:

Date: July 31, 2013

Consultant shall perform said services as an independent contractor and not as an employee of the District. Consultant shall be under the control of the District as to the result to be accomplished and not as to the means or manner by which such result is to be accomplished. 4. District shall prepare and furnish the following information to Consultant, upon

request, such information as is reasonably necessary to the performance of Consultant to this AGREEMENT:

The district will provide the name of school or department, language required, nature of the service required, location and person to report to, and date and time of each individual assignment.

5. District shall pay Consultant the maximum amount of

pursuant to this AGREEMENT. Payment shall be made 15 to 30 days after receipt of invoice. Consultant shall submit an invoice to District.

- 6. District may at any time for any reason terminate this AGREEMENT. Written notice by the District's superintendent shall be sufficient to stop further performance of services by Consultant. The notice shall be deemed given when received or no later than three (3) days after the day of mailing, whichever is sooner.
- 7. Consultant agrees to and shall hold harmless and indemnify District, its officers, agents, and employees from every claim or demand and every liability or loss, damage, or expense of any nature whatsoever, which may be incurred by reason of:
  - a. Liability for damages for death or bodily injury to person, injury to property, or any other loss, damage, expense sustained by Consultant or any person, firm, or corporation employed by Consultant upon or in connection with the services called for in this AGREEMENT except for liability for damages referred to above which result from the sole negligence or willful misconduct of District, its officers, employees, or agents.
  - b. Any injury to or death of persons or damage to property, sustained by any persons, firm, or corporation, including the District, arising out of, or in any way connected with the services covered by this AGREEMENT, whether said injury or damage occurs either on or off school district

property, except for liability for damages which result from the sole negligence or willful misconduct of the District, its officers, employees, or agents.

Consultant, at Consultant's expense, cost, and risk, shall defend any and all actions, suits, or other proceedings that may be brought or instituted against the District, its officers, agents, or employees on any such claim, demand, or liability and shall pay or satisfy any judgment/lawsuit reimbursement that may be rendered against the District, its officers, agents, or employees in any action suit, or other proceedings as a result thereof.

- 8. This AGREEMENT is not assignable without written consent of the parties hereto.
- 9. Consultant and assistants shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances, including Worker's Compensation.
- 10. Consultant, if an employee of another public agency, certifies that Consultant shall not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which services are actually being performed pursuant to the AGREEMENT.
- 11. The following is a brief description of what will be achieved by Consultant as a result of this AGREEMENT:

Language Network will provide oral interpretation and written translation services to non-English-speaking students and their parents, to facilitate accurate communication at critical meetings or phone calls, and regarding important information relative to the student's placement, progress, health, activities, and other concerns as they occur.

12. What are the technical reasons Consultant is being hired as an Independent Contractor rather than an employee?

To support required parent involvement and communication for all languages represented in the district, it is most cost-effective to outsource translation and interpretation needs beyond the district's capacity. Additionally, ad hoc situations arise where parents must be notified in an emergency situation and district bilingual personnel are not available. The Language Network will support any site or district request of this type 24 hours-a-day.

List any technical support that will need to be supplied by District:

Some of these services will be performed on site and in person, so no technical support will need to be provided by the District. Written documents requiring translation will be sent by fax or email, so only routine office equipment would be required.

### 16.3 <u>Resolution No. 2011/12-B-11, Adjustments to Income and Expenditures, General</u> <u>Funds, Resolution No. 2011/12-B-12, Adjustments to Income and Expenditures,</u> <u>Various Funds, and the 2011-12 First Interim Report</u>

On the motion of Mr. O'Neal and duly seconded, following discussion, the Board of Trustees certified in writing that the District is able to meet its financial obligations for the remainder of the fiscal year and, based on current forecasts, for two subsequent fiscal years. The certification was classified as positive, qualified, or negative, pursuant to the standards and criteria adopted by the State Board of Education, Education Code Section 33127.

In certifying the 2011-12 First Interim Report as positive, the Board understands its fiduciary responsibility to maintain fiscal solvency for the current and subsequent two fiscal years. Due to the depletion of one-time revenue in 2011-12 and the volatility of California's economic recovery and uncertainty with education funding, the District will implement in 2012-13 approximately \$13 million in ongoing budget reductions and an additional \$16 million in reductions in 2013-14 to maintain the positive certification. It is further recognized that the District will submit a detailed list of Board approved ongoing budget reductions, revisions, and/or fund transfers, with the 2011-12 Second Interim Report.

As part of the interim reporting process, budget adjustments are made to income, expenditures, and fund balances. Resolution No. 2011/12-B-11, Adjustments to Income and Expenditures, General Funds, and Resolution No. 2011/12-B-12, Adjustments to Income and Expenditures, Various Funds, authorizes budget adjustments per Education Code Sections 42602 and 42610.

# 16.4 <u>Agreement for Settlement of Tort Claim filed by the Orange County Social Services</u> <u>Agency</u>

On the motion of Mr. O'Neal, duly seconded and unanimously carried, following discussion, the Board of Trustees approved an agreement for settlement of tort claims filed by the Orange County Social Services Agency. On October 8, 2010, Governor Schwarzenegger vetoed funding for county mental health agencies providing educationally related mental health services under AB 3632, which effectively, eliminated the mental health agency's mandate to provide ongoing mental health services. At the same time, the Governor eliminated the funding and mandate that county social services agencies provide for the board and care costs associated with special education students placed in out-of-home residential facilities. In response, Orange County Social Services Agency billed the District 100 percent for board and care costs for the period of July 1, 2010, through October 8, 2010, and 40 percent of the costs from October 8, 2010, through December 31, 2010. Beginning in January 2011, districts have been directly funding board and care costs for residentially placed special education students. After several legal challenges, it was determined that county social services agencies did not have the obligation to fund board and care costs from July 1, 2010, through December 31, 2010. Because county social services agencies received additional funding, social services agreed to fund 60 percent of the costs from July 1, 2010, through October 7, 2010, with the District funding the 40 percent balance. This Agreement resolves the tort claim filed by Orange County Social Service Agency against seeking 100 percent reimbursement for the board and care costs between July 1, 2010, through October 7, 2010. The Agreement was forwarded to the Orange County Health Care Agency for final approval.

# 16.5 Developer Fee Deferral Request

In 2008, the Board of Trustees took action to implement a program to defer payment of school facilities impact fees on residential developments for the 2009 and 2010 calendar years. Last year, the Board of Trustees extended the program for the 2011 calendar year.

On the motion of Mr. O'Neal and duly seconded, the Board of Trustees adopted Resolution No. 2011/12-B-13, Authorization to Complete the Final Implementation of the District's 2012 School Facility Bridge Restructuring Program. At the November 3, 2011, Board meeting, the District's Board of Trustees (the "District Board") adopted Resolution No. 2011/12-B-04 approving the: 1) draft forms of the primary financial documents; 2) planned financial parameters; and 3) primary remaining activities needed to complete the development phase of the District's 2012 School Facility Bridge Restructuring Program (the "2012 Bridge Restructuring Program"). A similar resolution will be adopted by the District Board members acting in their respective capacities as the Corporation Board of Directors (the "Corporation Board") of the Anaheim Union High School District Facilities Corporation (the "Corporation").

The 2012 Bridge Restructuring Program will replace (payoff) the District's 1999 School Facility Bridge Funding Program (the "1999 Bridge Program"). The replacement of the 1999 Bridge Program with the implementation of the 2012 Bridge Funding Program will enable the District to: a) *continue* to benefit from the very low short-term interest rates (2.11% to date) available under the original 1999 Bridge Program's adjustable-rate/multimode structure; b) *increase* the multimode payment options that the District can periodically select from; and 3) *defer* the District's payments for up to three years.

Subsequent to the November 3, 2011, Board meeting, the District's staff and its Funding Team have completed the preparation of the substantially final forms of the 2012 Bridge Restructuring Program's primary financial documents for final approval by the District and Corporation Boards. The resolution: a) approves the substantially final forms of the financing documents; b) authorizes the maximum financial parameters; c) authorizes the activities required of the District staff and its funding team members to complete the implementation; and d) designates the individuals listed below to execute any and all required documents associated with the final implementation of the 2012 Bridge Restructuring Program. Adoption of this resolution replaced the November resolution.

The exhibit included a summary of the primary financing documents, financial parameters, and the primary implementation activities being authorized under this resolution. Additionally, the substantially final forms of the financing documents were available for review in the Board of Trustees' Office. Representatives from the District's program team were also in attendance to answer District Board members' questions.

#### <u>Resolution No. 2011/12-B-14, Authorization to Complete the Implementation of the</u> <u>District's 2012 School Facility Bridge Restructuring Program</u>

On the motion of Mr. Brandman and duly seconded, the Board of Trustees adopted Resolution No. 2011/12-B-14, Authorization to Complete the Implementation of the District's 2012 School Facility Bridge Restructuring Program. At the November 3, 2011, Board meeting, the Board of Directors (the "Corporation Board") of the Anaheim Union High School District Facilities Corporation (the "Corporation"), a nonprofit public benefit corporation, organized and existing under and by virtue of the laws of the state of California, adopted Resolution No. 2011/12-B-08 approving the: 1) draft forms of the primary financial documents; 2) planned financial parameters; and 3) primary remaining activities needed to complete the development phase of the District's 2012 School Facility Bridge Restructuring Program (the "2012 Bridge Restructuring Program"). A similar resolution was also adopted by the District's Board of Trustees (the "District Board").

The 2012 Bridge Restructuring Program will replace (payoff) the District's 1999 School Facility Bridge Funding Program (the "1999 Bridge Program"). The replacement of the 1999 Bridge Program with the implementation of the 2012 Bridge Funding Program will enable the District to: a) continue to benefit from the very low short term interest rates (2.11% to date) available under the original 1999 Bridge Program's adjustable-rate/multimode structure; b) *increase* the multimode payment options that the District can periodically select from; and 3) *defer* the District's payments for up to three years.

Subsequent to the November 3, 2011, Board meeting, the District's staff and its Funding Team have completed the preparation of the substantially final forms of the 2012 Bridge Restructuring Program's primary financial documents for final approval by the District and Corporation Boards. This resolution, which is similar to the resolution approved by the District's Board: a) approves the substantially final forms of the financing documents; b) authorizes the maximum financial parameters; and c) designates the Corporation's officers to execute any and all required documents associated with the final implementation of the 2012 Bridge Restructuring Program. Adoption of this resolution replaces the November resolution.

Attached is a summary of the primary financing documents, financial parameters, and the primary implementation activities being authorized under this resolution. Additionally, the substantially final forms of the financing documents were available for review in the Board of Trustees office. Representatives from the District's program team were also be in attendance to answer any Corporation Board member questions.

Elizabeth I. Novack, Superintendent

Dianne Poore, Assistant Superintendent, Business Services

The roll call vote follows.

Ayes: Trustees Brandman, Smith, O'Neal, Harp Domene, and Piercy
