

EDUCATIONAL CONSULTING AGREEMENT

THIS AGREEMENT is made and entered into this:

30th day of October 2008
by and between

Parent Institute for Quality Education
Independent Contractor, hereinafter referred to as "Consultant" and the Anaheim Union High School District, hereinafter referred to as "District."

WHEREAS the District is in need of special services and advice;

WHEREAS such services and advice are not available at no cost from public agencies;
and

WHEREAS Consultant is specially trained, experienced, and competent to provide the special services and advice required; and

WHEREAS such services are needed on a limited basis.

NOW, THEREFORE, the parties hereto agree as follows:

1. Services to be provided by Consultant:

Parent Institute for Quality Education (PIQE) will conduct parent training sessions for eight weeks, consisting of evening sessions, for Loara High School parents. These sessions will be taught by credentialed teachers and professionals trained by PIQE. PIQE will contact parents and invite them to attend the sessions, which focus on: understanding the high school system, identifying classes for students' four-year plans, recognizing the importance of grades, reviewing other important requirements, discussing higher education options, and identifying different financial aid options. Sessions will also promote a partnership between parents and the school. Services include: telephone calls to all households for the recruitment of parent participants, curriculum for the parent seminars, and materials required for the course, including binders and lesson plans, for approximately 100 parent participants.

Site/School: Loara High School Funds (Cost Center): Title I (3810)

Loara High School staff will provide a list of 9th & 10th grade students, including appropriate parent contact information, to facilitate PIQE in contacting parents to invite them to attend the sessions.

7. Consultant agrees to and shall hold harmless and indemnify District, its officers, agents, and employees from every claim or demand and every liability or loss, damage, or expense of any nature whatsoever, which may be incurred by reason of:

- 8. This AGREEMENT is not assignable without written consent of the parties hereto.
- 9. Consultant and assistants shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances, including Worker's Compensation.
- 10. Consultant, if an employee of another public agency, certifies that Consultant shall not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which services are actually being performed pursuant to the AGREEMENT.
- 11. The following is a brief description of what will be achieved by Consultant as a result of this AGREEMENT:

PIQE will conduct eight sessions to build working partnerships between the parents and the school. The course culminates with a graduation ceremony, where the parents receive a certificate of completion, validating their participation in the program. Parents who complete the course will also receive a California State University (CSU) system college admission certificate for each of their children, to be used upon graduation from high school and completion of CSU admission requirements.

- 12. What are the technical reasons Consultant is being hired as an Independent Contractor rather than an employee?

The PIQE staff members are specially trained and experienced in the implementation of the PIQE curriculum, and provide the parent sessions in the appropriate language. PIQE has the necessary staff and resources to contact parents in the appropriate language (Spanish or English), and to make follow-up contacts, if necessary.

List any technical support that will need to be supplied by District:

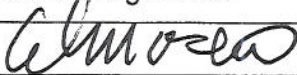

Loara High School will provide the adequate facilities for classes and for child care, as needed.
