- 11. The following is a brief description of what will be achieved by Consultant as a result of this AGREEMENT:

According to the Supplemental Educational Services Non-Regulatory Guidance [Title I, Section 1116 (e)(A)], Supplemental Educational Services are available to students, who are enrolled at schools that have not made Adequate Yearly Progress for three or more years (Program Improvement years two through five). The services are designed to provide additional academic instruction, in order to increase student academic achievement. The services may include tutoring, small group instruction, and other educational interventions outside of the regular school day, and must utilize high quality, research-based instructional strategies, designed to increase student academic achievement [Section 1116(e)(12)(C)].

The SES service provider must adhere to the following assurances per federal guidance:

- a. Assess and diagnose the reading and/or math needs of each student, and develop in consultation, with the parent, specific student achievement goals, and provide a timetable for each student's expected improvement [Section 1116(e)(3)(A)].
- b. Meet for a minimum of two-hours per week, at a site determined by the

parent/guardian and the consultant [SES Guidance Section 1116(e)(3)(A) and (B)].

- c. Use research-based instructional strategies, which are designed to increase student academic achievement, and are consistent with district and state content and achievement standards [SES Guidance Section 1116(e)(12)(C)].
- d. Communicate with the parent/guardian after the initial assessment and at least once per month regarding progress, and also when the student is absent from the program [SES Guidance Section 1116(e)(3)(A) and (B)].
- e. Communicate to the district each student's progress and participation results, by site, at least once per every four weeks of instruction. The district will forward communications to the school [SES Guidance Section 1116(e)(3)(A) and (B)].
- f. Monitor student attendance, and communicate with parents when the student misses an appointment [SES Guidance Section 1116(e)(3)(A) and (B)].
- g. At the conclusion of the contract, prior to the last payment, the SES provider will make available to the Special Programs Office a closing report (sorted by school), containing a list of the students who participated, with the first and last date of participation and pre/post-testing data [SES Guidance Section 1116(e)(3)(A) and (B)].
- h. The SES provider will not disclose to the public the identity of any student eligible for, or receiving supplemental education services, without written permission from the student's parents [SES Guidance Section 1116(e)(3)(E)]; and, the services provided are compliant with applicable health, safety and civil rights laws [SES Guidance Section 1116(e)(5)(C)].
- i. Services are secular, neutral, and non-ideological [Title 5 SES (13075.2(c)(1)-(21))].
- j. Provide proof of a current one million dollar liability insurance policy, and proof of being fiscally sound [Title 5 SES (13075.2(c)(1)-(21))].
- k. Provide evidence of being legally constituted to conduct business within the state of California [Title 5 SES (13075.2(c)(1)-(21))].
- l. Verification that the provider has not been removed from the state SES provider's list [Title 5 SES (13075.2(c)(1)-(21))].
- m. Provider meets all applicable federal, state, and local health and safety laws, in providing a facility for meeting with students [Title 5 SES (13075.2(c)(1)-(21))].
- n. Provider has complied with all applicable federal, state, and local health, safety, and civil rights laws [Title 5 SES (13075.2(c)(1)-(21))].

12. What are the technical reasons Consultant is being hired as an Independent Contractor rather than an employee?

Supplemental Educational Services are a requirement of the No Child Left Behind Act of 2001, for schools that are in years two through five of Program Improvement, and receiving Title I funding.

List any technical support that will need to be supplied by District:

The Special Programs Office annually disseminates information to SES providers regarding which AUHSD schools offer SES, the process for becoming an AUHSD SES provider, and the requirements for providers specified in federal SES non-regulatory guidance. The Special Programs Office also assists with SES invoicing, and assists with the processing of students' SES applications.
