The program was introduced in the United States from Europe in 1974 and has expanded rapidly. IB classes help prepare students for success in four (4) year colleges and universities. Colleges recognize the value of this preparation and look for students who choose the most rigorous courses. IB classes begin in 11<sup>th</sup> grade and are offered in English, social science, world language, science, film, and math. The curriculum is divided into higher level (HL) courses (two [2] years of study) and standard level (SL) courses (usually one [1] year of study).

Current Consideration:

The International Baccalaureate (IB) program at Kennedy High School is a demanding pre-university course of study for highly motivated students in the 11<sup>th</sup> and 12<sup>th</sup> grades. Students take rigorous classes at IB standard level and IB higher level to complete the diploma program. Additionally, they complete a 4,000 word extended essay, participate in an outside project, and take a class on theory of knowledge. Students receive credit towards university when they earn proficiency on exams. There are currently 111 students enrolled in the IB program at Kennedy High School.

Budget Implication:

10.6 **Resolution No. 2012/13-HR-11, Classified Reduction in Force (Food Services) (Roll Call Vote)**

**ACTION ITEM**

Background Information:

District Food Service employees provide essential services to meet the nutritional needs of students. Due to an agreement with Anaheim City School District (ACSD), District Food Service staff provides services at ACSD schools. ACSD has school sites that operate on either a multi-track or single-track calendar. ACSD has notified the District that two (2) of their school sites, Lincoln Elementary and Sunkist Elementary, will be converting from multi-track schedules to single-track schedules for the 2013-14 year. This change is significant due to the fact that there are two (2) employees at each school site whose work year will be impacted. Therefore, there will be a need to reduce the work year for a total of four (4) positions, from 11.5 months to nine (9) months. In order to accomplish this reduction, the District met and consulted with the American Federation of State, County and Municipal Employees (AFSCME) and must now initiate a reduction process to reduce the work year of four (4) positions.

Current Consideration:

The resolution is a reduction in force due to lack of work for Food Services employees. The positions include the reduction of four (4) positions providing food services to elementary schools at ACSD, effective July 1, 2013.

The reduction will be implemented in accordance with the requirements of the Education Code.

Budget Implication:

The reduction of the work year calendar and the resulting Food Service positions will reduce budgeted expenditures for the Cafeteria Fund. There will be no impact to the General Fund.

It is recommended that the Board of Trustees adopt Resolution No. 2012/13-HR-11, by a roll call vote. **[EXHIBIT E]**

**Background Information:**

Disciplina Positiva is a parent education program designed to promote the development of positive communication between parents and their adolescent children, as well as to facilitate a connection between family, community, and school. During the 2011-12 year,

South Junior High School, Western High School, as well as the Parent Involvement and McKinney-Vento offices at the District Campus piloted the program, which was well received by parent participants. Classes were tailored to the specific needs of the schools and included criteria for effective home discipline, ways to maximize the potential of adolescents, and to understand adolescent behavior.

Staff Recommendation:

It is recommended that the Board of Trustees accept the 2012-13 Third Quarterly Report on Williams Uniform Complaints. [EXHIBIT O]

11.12 **Contract Agreement for Speech and Language Services, Pacific Coast Speech Services, Inc.**

Background Information:

The District is obligated to provide mandated services to students with special needs. Speech-language pathologists provide some of these services. When a speech-language pathologist takes a leave of absence, or if there is a sudden need to fill a vacancy, we must fill that position on a temporary basis with a qualified individual. Due to the specific qualifications needed to fill this type of position, and for only a limited time, it is increasingly difficult to find a qualified individual to perform these services. Agreements with staffing agencies provide qualified individuals when there is a sudden need to fill a vacancy.

Current Consideration:

This agreement with Pacific Coast Speech Services, Inc. provides speech-language pathologist contract services, for the period of March 18, 2013, through June 13, 2013, due to a temporary leave of absence of District personnel. Elizabeth I. Novack, Ph.D.  
 Superintendent and Secretary to the  
 Board of Trustees

~~The Anaheim Union High School District recognizes that the district is primarily responsible for complying with applicable state and federal laws and regulations governing educational programs. The district shall investigate complaints alleging failure to comply with applicable state and federal laws and regulations and/or alleging discrimination and seek to resolve those complaints in accordance with the procedures set out in Sections 4600-4687 of the Title 5 Regulations and in accordance with the policies and procedures of the governing board. Written Uniform Complaint procedures are disseminated annually to students, employees, parents or guardians of students, school and district advisory committees, appropriate private school officials or representatives, and other interested parties. The district shall follow Uniform Complaint procedures when addressing complaints alleging harassment and unlawful discrimination or failure to comply with state or federal laws in consolidated categorical aid programs. Adult Education, career/Technical Education and Training programs, Child Care and Development, Consolidated Categorical Aid (No Child Left Behind), State Compensatory Education, State Program for Students of Limited English Proficiency, School Improvement, Tenth-Grade Counseling, Tobacco Use Prevention Education, Peer Assistance and Review, School Safety and Violence Prevention Act, Migrant and Indian Education, Nutrition Services, Special Education, Discrimination, Harassment, and Civil Rights Guarantees.~~

~~The Board prohibits retaliation in any form for the filing of a complaint, the reporting of instances of discrimination or harassment, or for participation in complaint procedures. Such participation shall not in any way affect the status, grades, or work assignments of the complainant. The Board acknowledges and respects student and employee rights to privacy. Civil rights are protected with regard to actual or perceived sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, mental or physical disability, or age, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, or lack of English language skills. All complainants are advised of their right to pursue civil law remedies.~~

~~All complaints are to be reported to the Assistant Superintendent of Administrative Services. Unlawful discrimination complaints shall be initiated no later than six months from the date the alleged discrimination occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination unless the time for filing is extended by the Superintendent or designee upon written request by the complainant. In a complaint of unlawful discrimination, a complainant has the right to seek civil law remedies after sixty (60) days have elapsed since filing an appeal with the California Department of Education, with the exception of injunctive relief, for which the moratorium does not apply. Discrimination and harassment complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts.~~

~~This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis.~~

~~The Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee.~~

~~The Board recognizes that a natural mediator can often suggest an early compromise that is agreeable to all parties in a dispute. The district will provide an opportunity for complainants and/or representatives to present relative information. Whenever all parties to a complaint agree to try to resolve their problem through mediation, the Superintendent or designee shall initiate a mediation process before beginning a formal compliance investigation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations. The complaint process will be concluded within sixty (60) days unless the complainant agrees in writing to an extension of time. The district's decision will be reported in writing, sent to the complainant within sixty (60) calendar days of receipt of the complaint, and contain: a) findings of fact based on the evidence gathered b) conclusion of law c) disposition of the complaint d) rationale for the findings, e) corrective actions (if any), f) notice of the complainant's right to appeal the district's decision to the California Department of Education within fifteen (15) days of receiving the district's written decision, and g) procedures to be followed for initiating an appeal to the California Department of Education.~~

~~The California Department of Education may directly intervene in a complaint without waiting for district action under certain circumstances (Code of Regulations, Title 5, Section 4650).~~

~~Copies of the district's complaint procedures shall be available free of charge.~~

The Governing Board recognizes the District is primarily responsible for complying with applicable state and federal laws and regulations governing educational programs. The District shall investigate any complaints alleging failure to comply with such laws and/or alleging unlawful discrimination, harassment, intimidation, or bullying and shall seek to resolve those complaints in accordance with the District's uniform complaint procedures.

The District shall use the uniform complaint procedures to resolve any complaint alleging unlawful discrimination, harassment, intimidation, or bullying against any protected group as identified under Education Code section 200 and 220 and Government Code section 11135, including those with actual or perceived characteristics such as race or ethnicity, color, ancestry, national origin, nationality, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, in any program or activity conducted by the District or that is funded directly by, or that receives or benefits from any state financial assistance.

Uniform complaint procedures shall also be used to address any complaint alleging the District's failure to comply with state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, special education programs, and the development and adoption of the school safety plan.

Uniform complaint procedures shall be used to address any complaint alleging the District's non-compliance with Article 5.5 of Chapter 6 of Part 27 of Division 4 of Title 2 of the Education Code (commencing with Section 49010) regarding pupil fees.

The Board prohibits any form of retaliation against any complainant in the complaint process. Participation in the complaint process shall not in any way affect the status, grades, or work assignments of the complainant.

The Board encourages the early, informal resolution of complaints at the site level whenever possible. The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving the problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

In investigating complaints, the confidentiality of the parties involved and the integrity of the process shall be protected. As appropriate, the Superintendent or designee may keep the identity of a complainant confidential to the extent that the investigation of the complaint is not obstructed.

The District's Williams uniform complaint procedures, BP 7703.01, shall be used to investigate and resolve any complaint related to the following:

1. Textbooks or Instructional Materials
2. Facility Conditions
3. Teacher Vacancies or Misassignments

  - c. An unlawful discrimination, harassment, intimidation or bullying complaint must be filed not later than six months from the date the alleged discrimination harassment, intimidation, or bullying occurs, or six months from the date the complainant first obtains knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying.
  - d. The complainant has a right to appeal the District's decision to the CDE by filing a written appeal within 15 days of receiving the District's decision.
  - e. The appeal to the CDE must include a copy of the complaint filed with the District and a copy of the District's decision.
  - f. Copies of the District's uniform complaint procedures are available free of

## **Procedures**

The following procedures shall be used to address all complaints which allege that the District has violated federal or state laws or regulations governing educational programs or which allege unlawful discrimination, harassment, intimidation or bullying.

All complaints shall be investigated and resolved within 60 days of the receipt of the complaint. Compliance Officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4631 and 4633.

All known complainants and respondents involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

### **Step 1: Filing of Complaint**

Any individual, public agency or organization may file a written complaint of the District's alleged noncompliance with federal or state laws or regulations governing educational programs. (5 CCR 4630)

A complaint concerning unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation, or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation, or bullying. The complaint shall be initiated no later than six months from the date when the alleged discrimination, harassment, intimidation, or bullying occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. However, upon written request by the complainant, the Superintendent or designee may extend the filing period for up to 90 days. (5 CCR 4630)

A complaint alleging non-compliance with the law regarding student fees and charges (Education Code section 49010 et seq.) may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of non-compliance.

The complaint shall be presented to the Assistant Superintendent of Human Resources who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, District staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

**Step 2: Mediation**

The Compliance Officer may informally discuss with all the parties the possibility of using mediation. If the parties agree to mediation, the Compliance Officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the Compliance Officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the Compliance Officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the District's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR 4631)

**Step 3: Investigation of Complaint**

Within a reasonable time of receiving the complaint, the Compliance Officer shall provide the complainant (if known) and/or his/her representative an opportunity to present the complaint and any evidence, or information leading to evidence, to support the allegations in the complaint. The Compliance Officer also shall collect all documents and interview all witnesses with information pertinent to the complaint.

A complainant's refusal to provide the District's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation. (5 CCR 4631) This provision shall not apply to anonymous complaints alleging non-compliance with the laws regarding student fees and charges (Education Code section 49010 et seq.) if the complaint provides evidence or information leading to evidence to support an allegation of non-compliance.

In accordance with law, the District shall provide the investigator with access to records and/or other information related to the allegation in the complaint. (5 CCR 4631)

**Step 4: Response**

Unless extended by written agreement with the complainant, the Compliance Officer shall prepare and send to the complainant a written report of the District's investigation and decision, as described in Step #5 below, within 60 days of the District's receipt of the complaint. (5 CCR 4631)

**Step 5: Final Written Decision**

The District's decision shall be in writing and sent to the complainant. (5 CCR 4631) The District's decision shall be written in English and, when required by Education Code 48985, in the complainant's primary language.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted. If a complaint alleging non-compliance with the laws regarding student fees and charges is found to have merit, the District shall provide a remedy to all affected pupils, parents, and guardians that, where applicable, includes reasonable efforts by the District to ensure full reimbursement to all affected pupils, parents, and guardians, subject to procedures established through regulations adopted by the state board.
6. Notice of the complainant's right to appeal the District's decision within 15 days to the CDE and procedures to be followed for initiating such an appeal.

In addition, any decision concerning a complaint of discrimination, harassment, intimidation, or bullying based on state law shall include a notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. (Education Code 262.3)

If investigation of a complaint results in discipline to a student or an employee, the decision shall simply state that effective action was taken and that the student or employee was informed of District expectations. The report shall not give any further information as to the nature of the disciplinary action.

### **Appeals to the California Department of Education**

If dissatisfied with the District's decision, the complainant may appeal in writing to the CDE within 15 days of receiving the District's decision. When appealing to the CDE, the complainant shall specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the District's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant has appealed the District's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by the District, if not covered by the decision.
4. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the District's uniform complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in a complaint without waiting for action by the District when one of the conditions listed in 5 CCR 4650 exists, including cases in which the District has not taken action within 60 days of the date the complaint was filed with the District.

### **Civil Law Remedies**

Civil law remedies may be available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable. In appropriate cases, an appeal may be filed pursuant to Education Code section 262.3.

A complainant may pursue available civil law remedies outside of the District's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.

For complaints of discrimination, harassment, intimidation, or bullying based on state law, a complainant shall wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies, provided the District has appropriately and in a timely manner apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622. The moratorium does not apply to injunctive relief and to complaints of discrimination, harassment, intimidation, or bullying based on federal law.

**Re: CONFIRMATION OF CONTRACT OBLIGATION: SPEECH SERVICES**

Dear Mr. Jackson:

Thank you for the opportunity to provide speech and language services within the Anaheim Union High School District. As you know, Pacific Coast Speech Services, Inc. (PCSS, Inc.) has agreed to pursue a contracted therapist for the following position:

1. **POSITION DESCRIPTION:** Pacific Coast Speech Services, Inc. will provide speech services at Brookhurst Middle School from March 18, 2013 through June 13, 2013, with a contractor working a varied day assignment, averaging 3 days per week. School holidays and non-student days will be excluded unless the district requests that our clinician attend a specific meeting or in-service. Additional services can be provided if deemed necessary by district administration and/or PCSS, Inc.
2. **PAYMENT TERMS:** This district will reimburse PCSS, Inc. at the rate of \$82.00/hour for the total hours billed. Payment is due within 30 days of invoice. Contract can be cancelled or substantially reduced with 30 days notice.
3. District hereby acknowledges that PCSS, Inc. independent contractors are screened, hired, and trained at considerable time and expense by PCSS, Inc. District further acknowledges that PCSS, Inc. independent contractors have entered into a contractual relationship with PCSS, Inc. to provide the above services for District. District agrees that it, or any third party associated, directly or indirectly, with the District, will not hire, solicit, contract, or otherwise seek to employ PCSS, Inc. independent contractors, directly or indirectly, in such a way as to interfere with the contractual relationship between PCSS, Inc. independent contractors and PCSS, Inc., and for a period of one (1) year after the completion of an independent contractors contract with PCSS, Inc. District agrees that, acknowledging the contractual services provided by PCSS, Inc. and PCSS, Inc. subcontractors, should District desire to employ or otherwise hire the services of a particular PCSS, Inc. independent contractor within one (1) year after conclusion of an independent contractors contract, District will not directly hire said independent contractor, but will contact PCSS, Inc. for a continuation of said independent contractors services. District further agrees to indemnify PCSS, Inc. for any and all legal costs, including and without limitation, attorney fees and court costs, necessary for PCSS, Inc. to enforce this provision or any and all

attorney fees and costs resulting from proceedings arising out of violation of this provision.

4. During the term of this contract, or after the contract has been completed, Pacific Coast Speech Services, Inc.' directors or contractors may be requested or may be subpoenaed to testify or consult relating to an arbitration, mediation, deposition, trial or other type of legal proceeding. Pacific Coast Speech Services, Inc.' directors or contractors may also be requested or subpoenaed to a conference with an attorney to render an opinion, to review documentation, or take part in any other type of pre-trial, pre-mediation, or pre-arbitration discovery or research. Should this request or subpoena take place, the district will be billed for and agrees to pay the standard hourly rate to Pacific Coast Speech Services, Inc. for the time spent by the directors or contractors for these services. The standard hourly rate is set forth in this Agreement at paragraph #2.

Based on the above, we approximate that the total cost of PCSS, Inc.'s services will not exceed \$20,664.00. This is not a lump sum guarantee, but a budgetary number only.

**This agreement is subject to the availability of a credentialed speech therapist, and assumes a caseload equivalent to no more than 60 students for one traditional year FTE. If an audit of the caseload by the credentialed therapist reveals an excess of this 60-student equivalent, you will be notified immediately. Adjustment in reimbursement or caseload will be made within 15 calendar days.**

**Please fax me a return copy of this confirmation of our contract letter at your earliest convenience to indicate that my understanding of our terms is accurate.**

If you have any questions, please call or fax me at (714) 389-9227 or email me at [acrotty@epcss.net](mailto:acrotty@epcss.net).

Sincerely,

Annette Crotty

The achievement is so rare, that only five (5) percent of scouts earn the Eagle rank. Once a scout advances to Eagle Scout, he will remain an Eagle for the rest of his life, regardless of age or participation in scouting. The students below have achieved Eagle rank by their involvement in school and/or community-related projects. Each scout briefly discussed his project.

11. **ITEMS OF BUSINESS**

**BUSINESS SERVICES DIVISION**

11.1 **Resolution No. 2012/13-B-10, Temporary Interfund Transfer**

Background Information:

The Board of Trustees is requested to adopt Resolution No. 2012/13-B-10, Temporary Interfund Transfer. As part of the state's solution to its own cash flow problems, it has deferred the payment of revenue limit apportionment to school districts from the year in which it is normally received, to the following year. This is part of what the governor calls the "Wall of Debt." Approximately 24 percent of the revenue limit apportionment, which would normally be received in 2012-13 by school districts will be deferred to 2013-14. For our District this is estimated at \$26,409,100. It is unknown at this time what the deferral amount will be for the 2013-14 year. There are also intra-year deferrals from month-to-month that create cash flow needs. For the 2013-14 year, the intra-year deferral amount is also currently unknown.

Current Consideration:

This resolution will provide as much flexibility as possible for 2013-14 within the District's cash resources. This resolution will allow for temporary interfund cash transfers from the Capital Outlay Funds, Special Reserve Funds, Special Revenue Funds, and Self-Insurance Funds to the General Fund.

Budget Implication:

There is no cost to the General Fund.

Action:

On the motion of Mrs. Piercy and duly seconded, the Board of Trustees adopted Resolution No. 2012/13-B-10, Temporary Interfund Transfer. The roll call vote follows.

Ayes: Trustees Jabbar, Smith, Piercy, Randle-Trejo, and O'Neal

11.2 **Resolution No. 2012/13-B-11, Adjustments to Income and Expenditures, General Funds; Resolution No. 2012/13-B-12, Adjustments to Income and Expenditures, Various Funds; and the 2012-13 Second Interim Report**

Background Information:

Education Code Section 42131 (a) (1) states that pursuant to the reports required by Section 42130, the governing board of each school district shall certify, in writing, within 45 days after the close of the period being reported, whether the school district is able to meet its financial obligations for the remainder of the fiscal year and, based on current forecasts, for the subsequent fiscal year. These certifications shall be based upon the Board's assessment, on the basis of standards and criteria for fiscal stability adopted by the State Board of Education pursuant to Section 33127, of the District budget as revised, to reflect current information regarding the adopted state budget, district property tax revenues pursuant to Sections 95 to 100, inclusive, of the Revenue and Taxation Code, and ending balances for the preceding fiscal year as reported pursuant to Section 42100. The certifications shall be classified as positive, qualified, or negative, as prescribed by the superintendent of Public Instruction for the purposes of determining subsequent actions by the superintendent of Public Instruction, the Controller, or the county superintendent of schools, pursuant to subdivisions (b) and (c). These certifications shall be based upon the financial and budgetary reports required by Section 42130, but may include additional financial information known by the governing board to exist at the time of each certification. For purposes of this subdivision, a negative certification shall be assigned to any school district that, based upon current projections, will be unable to meet its financial obligations for the remainder of the fiscal year, or the subsequent fiscal year. A qualified certification shall be assigned to any school district that, based upon current projections, may not meet its financial obligations for the current fiscal year, or two (2) subsequent fiscal years. A positive certification shall be assigned to any school district that, based upon current projections, will meet its financial obligations for the current fiscal year and subsequent two (2) fiscal years.

Current Considerations:

In certifying the 2012-13 Second Interim Report as positive, the Board of Trustees understands its fiduciary responsibility to maintain fiscal solvency for the current and subsequent two (2) fiscal years. Due to the depletion of one (1) time revenue in 2012-13 and the volatility of California's economic recovery and uncertainty with education funding, the District will implement in 2013-14 approximately \$2 million in ongoing budget reductions and an additional \$15.5 million in reductions in 2014-15 to maintain a positive certification. It is further recognized that the District will submit a detailed list of Board approved ongoing budget reductions, revisions, and/or fund transfers, with the adopted budget for the 2012-13 fiscal year.

Budget Implication:

As part of the interim reporting process, budget adjustments are made to income, expenditures, and fund balances. Resolutions No. 2012/13-B-11, Adjustments to Income and Expenditures, General Funds; and Resolution No. 2012/13-B-12, Adjustments to Income and Expenditures, Various Funds authorizes budget adjustments per Education Code Sections 42602 and 42610.

Assistant Superintendent, Business Services, Mrs. Dianne Poore, gave a brief presentation on the Second Interim Report.

Dr. Novack thanked the community, including our staff, parents, and school community, for standing by our side as we have endured the challenging fiscal environment over the past several years.

Action:

1. On the motion of Mrs. Randle-Trejo and duly seconded, following a lengthy discussion, the Board of Trustees adopted Resolution No. 2012/13-B-11, Adjustments to Income and Expenditures. The roll call vote follows.

Ayes: Trustees Jabbar, Smith, Piercy, Randle-Trejo, and O'Neal

2. On the motion of Piercy and duly seconded, following discussion, the Board of Trustees adopted Resolution No. 2012/13-B-12, Adjustments to Income and Expenditures, Various Funds. The roll call vote follows.

Ayes: Trustees Jabbar, Smith, Piercy, Randle-Trejo, and O'Neal

3. On the motion of Mrs. Piercy, duly seconded and unanimously carried, following discussion, the Board of Trustees approved the positive certification of the Second Interim Report that the District will meet its financial obligations.

## **EDUCATIONAL SERVICES DIVISION**

### **11.3 New Policy, Free Schools Guarantee: Student Fees, Board Policy 8402 Second Reading**

Background Information:

In 2010, the American Civil Liberties Union (ACLU) filed a lawsuit against the state of California alleging a failure to enforce the free schools guarantee outlined in Article IX Section 5 of the California constitution. Through the legislative process, the state addressed the concerns raised in the lawsuit through passage of Assembly Bill 1575, which was signed by the governor on September 29, 2012, and became effective on January 1, 2013.

Current Consideration:

The Board of Trustees reviewed the aforementioned new policy at the February 21, 2013, Board of Trustees' meeting. The free schools guarantee is now codified in Education Code Sections 49011 through 49013.

Budget Implication:

Data will be collected to determine the financial impact of this new policy.

Action:

The Board of Trustees reviewed the second reading of new Board Policy 8402, Free Schools Guarantee: Student Fees, as provided at the Board of Trustees' meeting on February 21, 2013.

On the motion of Mrs. Piercy, duly seconded and unanimously carried, following discussion, the Board of Trustees approved Board Policy 8402, Free Schools Guarantee: Student Fees.

11.4 **Resolution No. 2012/13-E-08, Preserve Music in our Schools Month**

**Background Information:**

The month of March has been designated as Preserve Music in our School Month. For at least the past two (2) decades, the United States House of Representatives has passed annual concurrent resolutions stating the importance of music education for all children in America's schools.

**Current Consideration:**

The resolution recognizes that music education is an important component of a well-rounded academic curriculum. The skills gained through sequential music instruction, including discipline and the ability to analyze, solve problems, create, communicate, and work cooperatively are vital for success in the 21<sup>st</sup> Century workplace.

**Budget Implication:**

There is no cost to the District.

**Action:**

On the motion of Mrs. Randle-Trejo and duly seconded, following discussion, the Board of Trustees adopted Resolution No. 2012/13-E-08, Preserve Music in our Schools Month. The roll call vote follows.

Ayes: Trustees Jabbar, Smith, Piercy, Randle-Trejo, and O'Neal

11.5 **Resolution No. 2012/13-E-09, Women's History Month**

**Background Information:**

Women's History Month had its origins as a national celebration, in 1981, when congress passed Public Law 97-28, which authorized and requested the President to proclaim the week, beginning March 7, 1982, as Women's History Week. Throughout the next five (5) years, Congress continued to pass joint resolutions designating a week in March as Women's History Week. In 1987, after being petitioned by the National Women's History Project, congress passed Public Law 100-9, which designated the month of March as Women's History Month. Since 1995, Presidents Clinton, Bush, and Obama have issued a series of annual proclamations designating the month of March as Women's History Month.

**Current Consideration:**

This resolution provides an opportunity to inform parents, guardians, and communities of the efforts that the District is making to support Women's History Month.

**Budget Implication:**

There is no cost to the District.

**Action:**

On the motion of Mrs. Randle-Trejo and duly seconded, the Board of Trustees adopted Resolution No. 2012/13-E-09, Women's History Month. The roll call vote follows.

Ayes: Trustees Jabbar, Smith, Piercy, Randle-Trejo, and O'Neal

Action:

On the motion of Mrs. Piercy, duly seconded and unanimously carried, following discussion, the Board of Trustees approved the memorandum of understanding with Girls Incorporated of Orange County. Services will be provided March 13, 2013, through June 13, 2013.

Girls Inc. also offers eight (8) nationally recognized programs, which are not free of cost to schools. Their curricula includes the following topics: science, technology, engineering, and mathematics (STEM); community action; economic literacy; media literacy; and substance abuse prevention.

Current Consideration:

Girls Inc. will provide a comprehensive ten (10) session substance abuse prevention and assertiveness training program for female students at Ball Junior High School. **HUMAN RESOURCES DIVISION**

11.9 **New Policy, Professional Attire, Board Policy 6317.25, Second Reading**

11.20 **Agreement, University of Utah**

**Background Information:**

The District has traditionally entered into agreements with university programs to provide opportunities for university students to meet their field work requirements and to gain valuable professional experiences. This agreement provides the opportunity for University of Utah speech pathology and audiology interns to provide supervised support services to District students and staff.

**Current Consideration:**

The agreement with the University of Utah will provide for clinical training in the areas of speech pathology and audiology. The agreement will be effective March 12, 2013, and will continue unless terminated by either party. University students will meet with District clinical supervisors (speech language pathologists) at the intern's assigned school site to be involved in the student's preparation for speech language pathology. This agreement provides opportunities for the student to observe, participate, and assist in the District's speech language pathology program. Clinical supervisors will model to the student effective planning, instruction, and management strategies, as well as discuss these strategies with the student teacher. Additionally, professional attire, development, and conduct will be reviewed. Due to the university's policy for executing agreements, this agreement will be signed following approval by the AUHSD Board of Trustees.

**Budget Implication:**

The services provided are at no cost to the District.

**Action:**

On the motion of Mrs. Piercy, duly seconded and unanimously carried, the Board of Trustees approved the agreement with the University of Utah.

11.21 **Ratification of Agreement, CompHealth Medical Staffing**

**Background Information:**

The District is obligated to provide mandated services to students with special needs. Speech-language pathologists provide some of these services. When a speech-language pathologist takes a leave of absence, or if there is a sudden need to fill a vacancy, we must fill that position on a temporary basis with a qualified individual. Due to the specific qualifications needed to fill this type of position, and for only a limited time, it is increasingly difficult to find a qualified individual to perform these services.

**Current Consideration:**

This agreement will provide qualified personnel for a hard to fill position, speech-language pathologist, on a temporary, as-needed basis, beginning February 25, 2013. This agreement will be signed following approval by the AUHSD Board of Trustees.

**Budget Implication:**

Services provided are between \$70 and \$73 per hour, based on experience of the temporary speech-language pathologist, and is a budgeted General Fund expenditure.

**Action:**

On the motion of Mrs. Randle-Trejo, duly seconded and unanimously carried, following discussion, the Board of Trustees ratified the agreement with CompHealth Medical Staffing.

## **SUPERINTENDENT'S OFFICE**

### **11.22 2013 California School Boards Association Delegate Assembly Election**

#### Background Information:

The California School Boards Association (CSBA) is the nonprofit education association representing the elected officials who govern public school districts and county offices of education. With a membership of nearly 1,000 educational agencies statewide, CSBA brings together school governing boards, as well as administrators from districts and county offices of education to advocate for effective policies that advance the education and well-being of the state's more than six (6) million school-age children. A membership-driven association, CSBA provides policy resources and training to members and represents the statewide interests of public education through legal, political legislative, community, and media advocacy.

CSBA's Delegate Assembly is a vital link in the association's governance structure. Working with local districts, county offices, the board of directors, and executive committee, delegates ensure that the association reflects the interests of school districts and county offices of education throughout the state.

Delegates are elected by CSBA member boards in the region the delegate is elected to represent and serve a two (2) year term. Nominees for delegates must be a member of a member board within that geographic region.

#### Current Consideration:

Given the District's size relative to student population, Anaheim Union is entitled to one (1) delegate. As the Board of Trustees is aware, at the February 21, 2013, Board of Trustees' Meeting, Trustee Randle-Trejo was appointed to represent AUHSD as a delegate to the CSBA Delegate Assembly. This is an additional opportunity for the Board of Trustees to consider voting for candidates. At the Board of Trustees' discretion, you may/may not wish to vote for one (1) or more candidates. No more than one (1) vote for any candidate may be submitted. The ballot also contains a provision for write-in candidates. The envelope with the ballot must be postmarked by the U.S. Post Office on, or before, Friday, March 15, 2013.

#### Budget Implication:

There is no implication to the budget.

#### Action:

On the motion of Mrs. Piercy, duly seconded and unanimously carried, following discussion, the Board voted, as a whole, to move the following delegates forward: Bonnie Castre, Judith Edward, Karen Freeman, Sylvia Jaffe, Jose Moreno, Robert Singer, and Suzie Swartz.

The workshops will be taught in Spanish and English by experienced bilingual facilitators. Services will be provided March 14, 2013, through April 25, 2013.

Parents of students, who qualify for SES, select the CDE-approved SES providers.

Current Consideration:

Ball, Brookhurst, Dale, Orangeview, South, and Sycamore junior high schools, as well as Anaheim, Katella, Loara, Magnolia, Savanna, and Western high schools qualify for SES. An increase in the original amounts for the listed SES providers is requested as a result of increased parent demand.

10.7 **Resolution No. 2012/13-HR-09, Economic Uncertainty**

Background Information:

Though there are signs of recovery in the state economy and additional state revenues generated as a result of Proposition 30, which provided California school districts with additional revenue from a temporary increase in state sales tax and income tax on the highest earners, there is still much economic uncertainty for the 2013-14 fiscal year. Background Information:

This agreement was previously approved at the Board of Trustees' meeting on February 21, 2013. However, the agreement was described in reference to student teachers. The District has traditionally entered into agreements with university programs to provide opportunities for university students to meet their field work requirements and to gain valuable experience in a professional setting within our District schools. The District has had an agreement in place with Chapman University and ATEP since 2000.

This agreement is a renewal of the current agreement already in place. The new agreement includes updated language that more closely reflects the current ATEP program at the University and more clearly defines the partnership with the District. University students in the ATEP will meet with school site certified athletic trainers and provide supervised athletic trainer services to earn credit toward a Bachelor of Science degree in Athletic Training. Additionally, professional attire, development, and conduct will be reviewed. This agreement is in effect from January 1, 2013, through June 30, 2017. 10.18 **Demographic Study: Trustee Voting Patterns**

Public Comments:

Mr. Arturo Montez shared his concerns regarding the background experience of the firm selected, the scope of the work detailed in the Exhibit, and the demographic study as presented to the Board of Trustees.

Background Information:

At the December 6, 2012, Board meeting, staff presented information regarding the Board's election system, relevant education code and election code provisions, and the California Voting Rights Act. Following the presentation, the Board discussed the Board's at-large election system. At the time, the Board directed staff to gather additional information regarding the process and costs associated with engaging a demographer to assist the Board in further addressing this issue.

On February 21, 2013, the Board received a request that the Board of Trustees approve a process for establishing trustee boundaries. This agenda item will start the process for the Board to receive public information for the study and consideration of that request.

Current Consideration:

Through legal counsel, staff has contacted firms that specialize in assisting public education boards in studying the complex issues related to the California Voting Rights Act, trustee area districting or redistricting, and voting processes or procedures. Studying these issues requires a sophisticated demographic analysis of voting records, census data, and geographic data that requires consultants with specialized skills. The Dolinka Group submitted a proposal for review. The Dolinka Group has specialized expertise in this area and has assisted several southern California governing boards, both K-12 and community college, by providing the appropriate demographic analysis.

The demographic study will cost approximately \$14,750, plus expenses.

**BUSINESS SERVICES DIVISION**

11.1 **Award of Bid 2013, 10 Digital Hand Held Radios**

Background Information:

The Federal Communications Commission (FCC) mandated that all public safety and business/industrial licensees using 25 kHz radio systems migrate to a 12.5 kHz radio system by January 1, 2013. This process is called narrowbanding. The District has been using analog two-way radios at all the schools sites for many years that fall within this 25 kHz frequency, some of which were reprogrammable and some that could not be reprogrammed.

Current Consideration:

There were various options that could help bring the District into compliance, some of which included: keeping existing analog radios and replacing obsolete, replacing the whole fleet with analog radios, or replacing the whole fleet with digital radios. It is eminent that the FCC is going to enforce a digital requirement and it makes the most sense to transition now for the future. The digital radios also give the District many more enhanced features and functionality that it never had, including clear digital audio communications, emergency district-to-site communication, full site radio control, GPS tracking, potential link directly to local authorities and many others. Staff has reduced the number of radios at the sites to accommodate an economical and fair solution. The District will purchase digital hand held radios, FCC licensing and filings, GPS tracking software, repeaters, and related items to integrate a full communications solution District-wide.

The expenditures for these types of items exceeds the legal bid limit (\$83,400) per Public Contract Code (PCC) section 20111, which requires a formal bid. Staff completed a formal bid and seven (7) bids were sent out and there were three (3) bid responses. The lowest, most responsible and responsive bidder is Vision Communications, Inc. Radios will be provided to District staff, school site administrators, and warehouse workers/nutritional services staff.

Budget Implication:

The cost is not to exceed \$ \$174,783. (General Funds and Cafeteria Fund)

Action:

On the motion of Mr. Jabbar, duly seconded and unanimously carried by those present, following discussion, the Board of Trustees approved the award of Bid 2013-10 Digital Hand Held Radios to Vision Communications, Inc. for a period of three (3) years for the purchase of digital hand held radios, FCC licensing and filings, GPS tracking software, repeaters, and related equipment, services, and supplies.

11.2 **Extension of Inter-Agency Meal Agreement**

Background Information:

The students of Anaheim Union High School District and the surrounding elementary school districts benefit from this service by providing meals to students who use the facilities at Tiger Woods Learning Center for educational purposes.

Current Consideration:

The District has an interest in continuing meal service with Tiger Woods Learning Center. The agreement provides a service to the community. This agreement will be in effect from August 19, 2013, through May 31, 2014.

Budget Implication:

This agreement generates income. (Food Service Budget)

Action:

The Board of Trustees present renewed the meal agreement to provide meals to the Tiger Woods Learning Center.

Each quarter, the OCDE conducts an audit of the submitted quarterly reports and provides a report of their findings.

Current Consideration:

According to Williams Settlement Legislation, the quarterly report from OCDE must be publically shared with the Board of Trustees. The report, as provided, indicates the District was in compliance for the second quarter of the 2012-13 year.

Budget Implication:

There is no impact to the budget.
