

Recognizing the need to inform the community of district programs, activities and achievements, district newsletters may be published at regular intervals throughout the school year.

1. The newsletter shall carry in each issue a statement of the authority for its publication and the names of the district trustees, superintendent and the editor of the newsletter.
2. The newsletter may be mailed to any person residing within the limits of the Anaheim Union High School District.
3. The newsletter shall not carry paid advertising. The newsletter may carry free advertising for plays, athletic events and other activities sponsored by the district schools.
4. The format of the district newsletter shall conform to the postal regulations applicable to the mailing of third class matter.
