This form is considered Confidential – Attorney/Client Work Product Privilege: This form is a confidential, internal, document; it is not a student or pupil record and its contents are not to be shared or copied for any persons who are not school district employees and/or their legal representatives. REPORTS OF SERIOUS NATURE SHOULD BE EMAILED TO RISK MANAGEMENT IMMEDIATELY.

The employee witnessing the accident/event or supervising at the time should complete this form to report accidents/events involving students or visitors. Unless the accident is of a serious nature, forward all reports to the Risk Management Department (#77) at the end of each month. Reports of a serious nature should be emailed to rowan_m@auhsd.us immediately. The administrative assistant should retain a report copy for at least six months.
