

The Board recognizes the importance of community support of District programs, including voluntary financial contributions, to assist the district in achieving its goals for student learning.

The Board desires to work cooperatively with the Anaheim Union High School District Foundation (Foundation) in determining the purposes for which funds may be used to meet the changing needs of the District and its students. The Board recognizes that the Foundation is a separate legal entity, independent of the District. However, the Foundation is encouraged to provide regular reports to the Board on the status of its work and to communicate ways that the District can help support the Foundation's activities.

With the written consent of the Superintendent or designee, the Foundation, as appropriate, may use the District's name, a school's name, a school team's name, or any logo attributable to a school in the District or to the District.

The Board supports Foundation allocations that serve all District schools equitably.
