

TUBERCULOSIS EXAMINATION

6205.03

All employees are required to undergo tuberculosis examination every four years or more often if directed by the Board of Trustees. This examination shall consist of an x-ray of the lungs, or an approved intradermal test, which, if positive, shall be followed by an x-ray of the lungs. However, employees may initially opt for the x-ray if medically advised by their physician.

The district may provide for these examinations, if available, or will pay the employee up to \$7.00 toward reimbursement for the required examination.
