

Employees who retired from the Anaheim Union High School District prior to July 1, 1975 and who wish to participate in the Major Medical and Dental portion of the Fringe Benefit Compensation Package may do so by depositing the necessary premium with the Business Services Division.

After July 1, 1975, the Board of Trustees shall provide the Major Medical and Dental portion of the Fringe Benefit Compensation Package to all certificated and classified employees retiring from the district with fifteen (15) or more years of service to the district and who are not otherwise covered by a similar program provided through social security or teacher retirement plans.
