

The District will assign each probationary employee to a school or site or other location within the district at which the district can train, assist and evaluate such employee. The district hereby assures probationary employees that their probationary status and potential needs for training, assistance and evaluation will be recognized at the school site or other location to which they are assigned.

Note: This board policy shall be reviewed annually, pursuant to the requirements of Section 35160.5(a)(2) of the Education Code.
